
Boat For Sale

Posted by Draff - 2007/02/14 15:40

Hi Chaps.

Having raced one season and then competed in the worlds in SA March it is with regret that I have decided to sell my boat to spend more time surfing and wind surfing.

My boat is a red aquarius and tohatsu 50hp both 18 months old. The boat and engine are in superb condition and have been well loved.

The engine is worked with a big exhaust fitted and comes with a stainless steel worked prop.

There are 2 helmets, 2 fuel tanks, prop guards and much more.

Ready to race the new season!

If you are interested or want to find out more then please contact me on 07813 166659.

I cant seem to post a pic on here but happy to email one.

Cheers

Dave GB7
